Subject: Broadband Scrutiny Panel

Last October, East Devon & South Somerset District Councils (who have not signed the Non Disclosure Agreement which prevents the public from knowing the details of BT's rural fibre broadband programme) set up a scrutiny panel (called a TaFF) to examine the contract between CD&S and BT.

The first (and perhaps only) meeting of this panel will take place, in public, on January 16, in Honiton, at 10am.

A copy of the agenda is attached for your information.

Kind regards,
Graham Long
Upottery Parish Councillor
