1. Apologies for Absence - None

2. C.C. of Devon - Questionnaire Report

Alex read out the conclusion of the Report from Martin Parkes. This was based on the survey sent out to all parishioners.

3. Population and Housing

There was a lot of discussion on the Housing needs of Membury and it was agreed that the pie charts could be ambiguous. Until we get the results from the Housing Needs Postal Survey we can make no decision on what to do. We do not have enough information.

4. Time, Date and Place of Next Meeting
