

## **Lee, Arthur**

We couldn't find any Arthur Lee with a Membury connection. However:

In 1911 Thomas and Elizabeth Lee lived in Gilletts, Membury and Thomas was a farm labourer. In 1901` they lived at Castle House, Membury with their 2 children

William Lee was born in Membury in 1841 married to Amelia from Taunton with a daughter Daisy. But they lived in Chard in 1891, 1901, and 1911.

There was an Arthur Henry Lee born in 1895 whose father was also Arthur Henry and mother Hannah (43). But he was born in Chard and lived in Tatworth in 1911. Arthur Henry Lee was 15 and an apprentice engineer in 1911 – his farther (also Arthur Henry Lee) was 43.
